contributions

Thank you for supporting the New World School of the Arts Theater Division. Many of our graduates are performing in a variety of professional theaters throughout Miami-Dade, Broward and Palm Beach. The same students you have so generously supported and have seen in many of our mainstage and studio productions, have become respected professional actors. Your contribution to **Friends of Theater** will continue to help provide our students with the very best in artistic development through training and performance opportunities, helping them live their passion and realize their artistic dreams.
