- Meet/exceed minimum score on a standardized examination such as SAT, ACT Scores.
- Achieve a GPA of 2.5+ in the areas of English and math

DROP/ADD Dropping or adding a course to or from your registration schedule. Must be done by the appropriate deadlines. It is the student's responsibility to drop/add according to deadlines. Make sure you review your schedule at the beginning of the semester and that you are attending the correct classes.

FULL-TIME/PART-TIME Full-time students must register for a minimum of 12 credits during the two major terms. International students & students receiving financial aid must be full-time.

GRADE POINT AVERAGE (GPA) Learning is measured by the assignment of a letter grade by an instructor. Your letter grades are then converted to a 4-point system. It works this way:

<i>Prior to May 11, 2009 (UF)</i>	<i>After May 11, 2009 (UF)</i>	<i>MDC</i>
A = 4 points	A = 4 points	A = 4
B+ = 3.5 points	A- = 3.67 points	B = 3
B = 3 points	B+ = 3.33 points	C = 2
<i>Prior to May 11, 2009 (UF)</i>	<i>After May 11, 2009 (UF)</i>	D = 1
C+ = 2.5 points	B = 3.0 points	F = 0
C = 2 points	B- = 2.67 points	
D+ = 1.5-point	C+ = 2.33 points	
D = 1.0-point	C = 2.0 points	
E* = 0-point	C- = 1.67 points	
	D+ = 1.33 points	
	D = 1.0 point	
	D- = .67 point	

E* = 0 point

* Failure at UF is designated by the letter E.
MDC does not issue plus or minus grades.

To calculate your GPA: multiply the points for each grade you receive by the number of credits in that course; then divide the total number of points by the total number of credits.

Example:

Course	Grade	Credits	Total Points
ENC1101	A=4	3	12
MAC1105	B=3	3	9
DEP2000	C=2	3	6

Total points $12+9+6=27$

Total credits = 9

Total points/total credits $27/9= 3.0$ GPA

GPA for MDC and UF are separate.

Students can view their grades from their MYMDC ACCOUNT:

- 1) Go to STUDENT.MDC.EDU
- 2) Create an account following the directions & you will have access to course registration, grades, degree audit, change of address, tax forms, tuition bill, etc.
- 3) Log in

Students can view their grades from the UF website:

- 2) You can access your degree audit, grades, financial aid, change of address, tax forms, etc.

GRADE I Incomplete - An incomplete grade may be assigned at the discretion of the instructor as an interim grade for a course in which the student has completed a major portion of the course with a passing grade, been unable to complete course requirements before the end of the term because of extenuating circumstances, and obtained agreement from the instructor and arranged for resolution of the incomplete grade. Instructors are not required to assign incomplete grades.

GRADE W Withdrawal. If a student drops a class after the 100% refund date, he/she will receive the grade W for that class. This does not affect your GPA, but will affect financial aid eligibility and may place student on academic on probation. W grades also count as one attempt at taking that particular course. Make sure to withdraw by the deadlines in order to avoid a failing grade.

Students at NWSA will complete the Junior and Senior year as University of Florida students. Students must apply to the University of Florida before the posted deadlines. Students can be fully admitted to UF or admitted as non-degree students until the requirements are met for full admission. It is the responsibility of the student to ensure their admission to the University of Florida.

Requirements for full admission to the University of Florida

1 college level Math

1 college level English

Students who are fully admitted to UF are eligible for financial aid, processed through the University of Florida.

Students who apply as non-degree seeking (OFA) students at UF must complete the non-degree application. Students are not eligible for financial aid as non-degree seeking students.

TRANSIENT STUDENT PROCESS

Students who take courses at more than one institution in Florida are considered transient students. NWSA students may take classes at both MDC and UF in the same term. Students must complete the transient application for each term they have transient status.

- Go to “Take a course at another school”
- Select “Start or check Transient Student Admission Application”
- Select your Home Institution from drop down menu – *see below
- Enter Student Identification Number (MDC – MDID 10 digit#/UF-username) and password (MDC – use the password used to login to your MyMDC account, UF – use the password used to login to your Gatorlink account)
- Complete the application
- E-mail Naché Atkins at natkins@mdc.edu once you complete the application so I can approve your courses.

*If you are fully admitted to the University of Florida:

- UF is your HOME institution and MDC is the HOST institution.
- List ONLY the MDC courses you are taking

*If you are OFA (non-degree seeking status) at UF:

- MDC is your HOME institution and UF is the HOST institution.

You must register for classes at your HOME institution before you can complete this application. It is very important that you complete this process as soon as possible. Failure to do this will result in delay of receiving your financial aid. If you experience any problems while completing the process, email Naché Atkins at natkins@mdc.edu.

RECEIVING THE BACHELOR OF FINE ARTS OR BACHELOR OF MUSIC DEGREE

Students are responsible for making sure they have met the requirements to receive the Bachelor of Fine Arts or Bachelor of Music Degree, by checking their Academic Requirements (Degree Audit). GRADUATING WITH HONORS – University of Florida

The university offers three levels of honors: cum laude, magna cum laude and summa cum laude. Honors recognition is printed on the university diploma.

Cum Laude
3.4 All Divisions

Magna Cum Laude
3.75 all divisions

Summa Cum Laude
Music and Visual Arts 3.90 GPA
Theater and Dance 3.75 GPA

The faculty will consider recommending students for graduation with honors, high honors or highest honors on the following criteria: grade point average, distribution and quality of subject matter studied, faculty evaluation and other pertinent qualities. Post baccalaureate students are not eligible to receive honors recognition.

The student will be considered for honors with a 3.4 minimum academic average; or a 3.75 academic average for high or highest honors. The average will be calculated on all work attempted while the student is classified 3FA and 4FA. Post baccalaureate students are not eligible for any honors designation. Transfer credits from MDC will be included in the average.

Superior students should consult their academic adviser about the requirements for high or highest honors. In addition to the required GPA, they also must complete 48 semester hours (honors, high, highest) at UF and complete a written thesis or creative project. On the basis of this work, the department will recommend high or highest honors.

Art: Students eligible for high or highest honors will be notified in writing. High or highest honor candidates in studio, graphic design and art education will be required to submit a portfolio of 10-15, 35mm slides representing their work in the major. Art history candidates must submit a research paper prepared with the guidance of the area faculty. Art education candidates will submit their teaching portfolio created under the direction of their faculty supervisor. Candidates for the B.A. in general art studies will submit a portfolio or paper in their area of concentration.

Theatre/Dance: Theatre/dance majors who qualify for high or highest honors will be notified in writing by the undergraduate adviser. To be eligible to receive high or highest honors, BFA candidates will complete a significant performance/production project as determined by area faculty. Students should consult their adviser for details.

Candidates for the BFA in General Theatre and Drama Education will be required to submit an independent creative or research project under the guidance of faculty in his or her respective area.

PLACEMENT CRITERIA AND TESTING

With the exception of students who meet the criteria for an exemption from common placement testing and developmental education instruction, the State Board of Education (SBOE) requires entry-level testing for degree seeking students and students who have not met college level competency either through the completion of developmental education requirements in the Florida College System or have not been awarded credit for college level coursework in the area of deficiency.

https://www.mdc.edu/main/testing/criteria/degree_and_college_credit_certificate_programs.aspx

Exempted from Testing for Degree Programs and College Credit Certificate Programs

- Students who entered 9th grade in a Florida public school in the 2003-2004 school year, or any year thereafter, and earned a standard diploma from a Florida public high school. Refer to Appendix B.

Note: Home education students and students who earned a GED or a diploma from a private high school are not exempted from common placement testing and developmental education.

- Students who are serving as active duty members of any branch of the United States Armed Forces.
- Students who have earned an associate degree or higher from an institution recognized by MDC. Official documentation is required. Students with foreign degrees from non-English speaking countries must present passing scores from MDC approved English proficiency examinations. General Education requirements will be waived for these students if they have a degree from a foreign accredited institution. Refer to TMOP for Transfer Credit Evaluation (1100:815110).

Refer to Section II for examinations and passing scores.

- Students who have earned the required course grade listed in the Exemption Course Grade chart. (Please refer to the Exemption Using Course Grade table below)

Notes:

Exemption for courses not on the chart must be approved by the appropriate department chairperson. Official documentation is required.

- Students who have a letter grade (including D, F, W, U and P) associated with a placement area are not required to be retested; they will be re-placed in the English, Reading or Math course in which they earned that grade.
- Transient students (those who attend another college or university) who provide appropriate documentation, and are enrolling for courses to transfer to their primary institution (and who are not seeking a degree at MDC).

- Students who present SAT, ACT, ACCUPLACER or PERT scores meeting State requirements in MDC's Course Placement Guides (ACT and SAT, ACCUPLACER and PERT). If multiple test results are on record, the highest subtest scores are used. Any score presented which is lower than the score needed for exemption will require the student to be tested on the appropriate MDC Placement Test subtest(s). For students presenting passing mathematics scores in specific score ranges (ACT Mathematics = 19-20 and SAT Mathematics = 24-26), the ACCUPLACER Next-Generation QAS subtest, CPT college-level mathematics subtest with test dates through January 2020 and the PERT mathematics subtest may be used to determine placement into advanced mathematics courses (e.g., MAC 1105, MAC 1106, MGF 1106, STA 2023, etc.).
