Welcome to New World School of the Arts (NWSA), Home of the Fighting Pigeons. We work tirelessly every day to deliver professional training in dance, music, theater, and visual arts, complimented by a rigorous academic curriculum which is parallel to none. NWSA is fully accredited and offers the same academic curriculum and graduation requirements as all Miami Dade high schools; the major difference all students spend the first five hours of their day in the academic program and the remaining doing what they love while being trained by working professional artist in their respective areas. The school recognizes and values student individuality and nurtures all students without exception.

By working creatively with students on an individualized, human level that stimulates intellectual, artistic, and technical originality as well as providing such an environment, we strive to graduate individuals who can work independently and creatively. At the same time, NWSA places high value on group responsibility, loyalty, and sense of community.

As such, we aspire to provide all stakeholders with exceptional creative service. If at any time you feel that the service you receive does not meet these standards, I urge you to contact me directly at 305-237-3135 or via email at jallen23@dadeschools.net. At any time, you may also contact Ms. Ana Pazos, Assistant Principal if you are unable to reach me. Ms. Pazos’ contact information is 305-237-3610 or email contact is apazos@dadeschools.net. Our goal is that your experience, as a valued member of our school community, reflects a culture of learning, respect, and quality. If for any reason your concerns cannot be addressed by any member of our school office, please contact the Central Region Office Stakeholder Relations Department at (305) 499-5050.

We look forward to working together to continue creating a school climate that every stakeholder can be proud of.

Mr. Jason H. Allen
Principal
